Independent Auditor's Report

To The Board of Directors of:

GREEK ORTHODOX PATRIARCHAE OF JERUSALEM – SHEPHERDS HIGH SCHOOL

Report on the audit of the financial Statements

Our opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Shepherds High School, as at August 31, 2023, and its financial Activities and its cash flows for the year then ended in accordance with International Financial Reporting Standards ("IFRSs").

What we have audited

The financial statements comprise:

- the statement of financial position as at August 31, 2023;
- the statement of activities for the year then ended;
- the statement of cash flows for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Institute in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code). We have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Generally Accepted Accounting Principles in Palestine (GAAP), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Institute's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Institute or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Institute's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Palestia for Auditing & Professional Services

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Institute's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Institute's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Institute to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

NOTES TO THE FINANCIAL STATEMENTS

(All amounts in New Israeli Shekels)

NOTE (1) GENERAL

Shepherds' High School was founded in Beit Sahour in the year 1993 by the Greek Orthodox Patriarchate of Jerusalem. It is located near the Orthodox Shepherds field church in Beit Sahour .
The School is divided Into Four stages The Kinder Garten, Elementary stage , The preparatory and the Secondary Stages . The school works on improvements of learning capacity and education. Teaching the Greek Language in addition to the basic materials and teaching non-educational skills such as Arts , Music , Sport and etc.

NOTE (2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are prepared in accordance with Generally Accepted Accounting Principles in Palestine (GAAP) for Not for profit organizations. Following is a summary of the significant accounting policies: 2.1 Fixed Assets - Fixed assets are stated at cost net of accumulated depreciation. Depreciation is computed using the straight-line method over the estimated useful life of these assets based on the following annual percentage rates:-

Equipment 15-20%

Furniture 5-15%

2.2 Net Assets - Net assets and contributions are classified based on the existence or absence of donor imposed restrictions. Therefore, net assets are classified as either unrestricted or temporarily restricted.

2.3 Revenue - Revenue is recognized when contributions and/or donations are received or services are performed. Contributions are recorded as either temporarily or permanently restricted if they are received with donor stipulation that limits the use of donation. When donor restriction expires, temporarily restricted net assets are reclassified to Unrestricted net assets and reported in the statements of activities as net assets Released from restrictions. In accordance with Financial Accounting Standards Board Pronouncement number 116.

2.4 Severance Pay - Benefits payable to the employees of Shepherds High School at the end of their services are provided for in accordance with the guidelines set by the Palestinian labor laws. The reserve for employee's severance pay for the year is calculated at the rate of one month's salary per year of service based on the last salaries paid.

2.5 Translation of Foreign Currencies - The accompanying financial statements are denominated in new Israeli Shekel. Transactions in other currencies during the year were translated according to prevailing rates at the time the transaction took place. Monetary assets and liabilities denominated in foreign currencies are translated into

FINANCIAL RISK MANAGEMENT

Liquidity risk

The Institute minimize its liquidity risk by ensuring that credit facilities are available, and following up on the collection of the pledges receivable.

Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. For all categories of financial assets held by the school , the maximum exposure to credit risk is the carrying value, as disclosed in the statement of financial position.

(1) Cash and cash equivalents and deposits:

The Organization deposits its funds with reputable banks, and there are no restrictions on their use.

(2) Students Account receivables:

The school receives cash direct to the school box and there were no restriction to use cash so it is a big financial risk.

Market risk

(i) Exchange rate

The institute is exposed to foreign exchange risk arising from various currency exposures, primarily with respect to the \$USA, JOD and Euro. Foreign exchange risk arises from future commercial transactions, recognized assets and liabilities. To manage their foreign exchange risk arising from future commercial transactions, the organization's management maintains cash balances in different currencies.
