Independent Auditors' Report

To

The Directors of Greek Orthodox Patriarchae and the Board of Trustees of St. George School.

Report on the Financial Statements

We have audited the accompanying financial statements of the St. George School which comprise the balance sheet as at August 31st, 2014 & 2013 and the related statement of activities and the cash flow Statement for the years then ended and a summary of significant accounting policies and other explanatory notes.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Generally Accepted Accounting Principles in Palestine (GAAP). This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, and taking our comments presented in the management letter into consideration, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of St. George School as of August 31st, 2014 and 2013 and its financial performance and its cash flows for the years then ended in accordance with Generally Accepted Accounting Principles in Palestine. Noting that we did not make any kind of audit or review for any financial information occurred before this year audit therefore we are not entitled for any potential responsibility that may arise for anything related to that period of the old financial information.

GREEK ORTHODOX PATRIARCHE - ST.GEORGE SCHOOL

Financial statements for the year ended August 31, 2014

NOTES TO THE FINANCIAL STATEMENTS

(All amounts in New Israeli Shekels)

1. GENERAL

Greek Orthodox Patriarchae of Jerusalem established in 1999 , the new location for the Greek Orthodox School under the name of St.George School at Ramallah City – Al Tiereh neighbourhood . The School building contains three floors from kintergardens to twelf grade including all facilities from playgrounds, gardens, library and labs.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The financial statements are prepared in accordance with Generally Accepted Accounting Principles in Palestine (GAAP) for Not for profit organizations. Following is a summary of the significant accounting policies:

2.1 Fixed Assets -

Fixed assets are stated at cost net of accumulated depreciation. Depreciation is computed using the staright-line method over the estimated useful life of these assets based on the following annual percentage rates:-

Equipment	15-20%
Furniture	5-15%

2.2 Net Assets -

Net assets and contributions are classified based on the existence or absence of donor imposed restrictions. Therefore, net assets are classified as either unrestricted or temporarily restricted.

2.3 Revenue -

Revenue is recognized when contributions and/or donations are received or services are performed. Contributions are recorded as either temporarily or permanently restricted if they are received with donor stipulation that limits the use of donation. When donor restriction expires, temporarily restricted net assets are reclassified to Unrestricted net assets and reported in the statements of activities as net assets Released from restrictions. In accordance with Financial Accounting Standards Board Pronouncement number 116.
